**** Coaches and Concession Stand Sign-ups****

This year we are requiring all parents during the registration process to choose an area they would be willing to assist/volunteer at. Each year it has been getting more difficult to find volunteers to help out with either coaching or concessions. As a non-profit, volunteer-based program, we cannot operate at a high quality without parental assistance. As such, we ask that you select one of the following: **Head Coach, Assist Coach, or Concession Stand Volunteer**. Coaches Meeting; See dates and times on the backside of this form. Meeting at New Bremen Bowling Alley

We understand volunteering can be an inconvenience at times but with everyone's help, the recreation program will continue to support the betterment of all in the baseball and softball programs.

*** Important Information / Dates ***

Attention Second Grade Boys / Girl

Any 2nd grade boy / girl wishing to play up on the 3rd/4th grade teams needs to attend the 3rd/4th player evaluations. If a player or player's parents do not wish to have their child evaluated to play up, the player does not need to come to the evaluations.

*** Parents and players need to understand that coming to the 3rd/4th player evaluations **DOES NOT GUARANTEE** that a player will be playing up on a 3rd/4th grade team. This will be determined by the CRC.

Athletes on 3rd - 6th grade teams will be divided up by the CRC and not the coaches.
