Reviewed the management agreement for the public pool with the YMCA of Greater Dayton. Management fee will increase from \$13,000 to \$15,500. The last fee increase was 2020. Discussed eliminating the family day pass of \$20. Most pools in our area do not have a family day pass. Large families pay the same day rate as small families. Run into instances where adults would bring several kids in that did look to be related and it's difficult to monitor during busy times. The family day pass will be eliminated for the 2025 season. No change in the pass rates. Family season pass \$125 and individual \$50. Adult day pass \$5 and youth day pass \$4.
